

## **CHAPTER II**

### **POWERS AND DUTIES OF OFFICERS AND STAFF**

The powers and duties of the officers and workman of the company are derived mainly from the provisions of the Companies Act, 1956 and Memorandum and Articles of Association of the company. Energy Efficiency Services Limited (EESL), was set up to create and sustain markets for energy efficiency in the country. The officers and workmen of the company are appointed for carrying out the business operations of the company, which are in line with the objectives specified in the Memorandum of Association of the company.

The powers and duties of the officers and workmen of the Company are limited only to carry out the business operations of the Company.

While discharging duties and responsibilities, officers and workmen of the company are complying with the applicable provisions of the Constitution of India and other applicable statues and rules and regulations framed thereunder.
